Biography: Virginia Berry grew up building forts in the woods, canoeing, and racing bikes around gravel roads, in a rural neighbourhood, on a lake, in Minnesota. Berry now resides in St. John's, NL, with her husband, two adventurous daughters, two fluffy cats, four fat rats, and a menagerie of wild birds at the feeder. She has a BA from Skidmore College, and enough collected skills and hobbies to be considered a Renaissance woman. Berry is seeking a publisher for her first picture book, in what hopes to be a collection of adventure stories for little girls.
